KCET 2023 Latest Notification & Updates

Notification-1:

The Karnataka Examination Authority has recently published the official notification for KCET 2023 on its website. The complete schedule for the KCET exam has also been released along with the notification. Aspirants can access the KCET application form 2023 on the official website. Candidates are advised to keep all the required documents ready before filling out the KCET form 2023. The last date to complete the **KCET registration** for 2023 is April 5th, while the last date to pay the registration fee is April 7th. It is recommended that candidates submit their applications well before the deadline to avoid any last-minute inconvenience.

Notification 2:

According to the latest news, the Karnataka Examinations Authority (KEA) has issued an important notice for all KCET 2023 registered candidates.

Per the notice, the candidates who have already registered for the KCET 2023 exam should verify and validate their entered details on the official KEA website.

- Any errors or discrepancies in the submitted details may lead to disqualification or cancellation of the KCET application.
- Candidates can log in to the official website using their registered application number and password to verify their details.
- They should check all the details, including their name, date of birth, contact details, educational qualifications, category, and other relevant information. If any errors or mistakes are found, candidates should immediately contact the KEA authorities to rectify them.
- All KCET 2023 registered candidates must verify and validate their details on the KEA website to ensure that their application is accepted and they are eligible to appear for the exam. Candidates are advised to keep checking the official website for further updates and announcements regarding the KCET 2023 exam.

The **KCET 2023 notification release date** has been revealed. Check it out now.

KCET Exam Dates- Overview

Applicants are advised to keep track of the **KCET exam date 2023**, which includes various important events like application form submission, admit card download, result declaration, and more.

To fill out the **KCET application form 2023**, candidates must register, fill out the form, upload the required documents, and pay the fee. Those who successfully submit their application form before the last date can download their KCET 2023 admit card from May 5. Once the exam is concluded, the exam authority will release the **KCET result** on June 12 on the official website.
